

Pre-Employment Transition Services:

Counseling on Post-Secondary

Ohio Community Centers for the Deaf

Learn skills needed for greater independence

- Classroom-based
- Duration: Up to 8 hours
- Population: Students who are Deaf or Hard of Hearing and need support navigating post-secondary education.

Service Outcomes:

- Students will complete a self-evaluation to identify their potential needs for college readiness
- Students will understand post-secondary opportunities, including college/university and other adult learning options
- Students will have information about college admissions processes, financial aid, and disability-related services
- Students will be aware of the FAFSA process, scholarships, and financial literacy
- Students will be able to articulate the differences between secondary and post-secondary support
- Students will understand how accommodations work on campus (i.e. interpreting services, service animals, etc.)
- Students will be knowledgeable regarding resources available
