

## Ohio College2Careers

**Opportunities for Ohioans with Disabilities (OOD)** is the state agency that empowers Ohioans with disabilities through employment, disability determinations, and independence. It is accomplished through its Bureau of Vocational Rehabilitation (BVR), Bureau of Services for the Visually Impaired (BSVI), and Division of Disability Determination (DDD). A fourth area is the Division of Employer and Innovation Services (EIS), which is responsible for establishing and maintaining partnerships with employers.

### Ohio College2Careers

OOD offers Ohio College2Careers at 17 colleges and universities in Ohio to ensure students with disabilities have the support they need to complete their degree and/or credential, earn higher wages, and meet the demands of tomorrow's labor market.

### Dedicated Career Counselors

A full-time, dedicated OOD counselor is immersed within the disability services office and/or career services office at partnering colleges to assist students with disabilities. The counselor is able to provide career counseling and purchase additional services and supports that assist students with disabilities to stay in school, successfully complete their degree, and obtain employment post-graduation.

Services may include the following:

- Career exploration and counseling
- Assistive technology
- Resume and interview preparation
- Placement in paid internships
- Placement services for permanent employment after graduation
- Supports and accommodations necessary for internships and permanent employment
- Tools and licenses for employment

## Connection to Expansive Employer Partner Network

OOD's Division of Employer and Innovation Services has an established Business Relations Team to meet the needs of employers who are committed to building and maintaining a diverse and inclusive workforce that includes individuals with disabilities. The team has two dedicated Career Development Specialists who work directly with the disability and career services staff at these partnering colleges to promote hiring of students with disabilities for internships and permanent placement opportunities.
