- Learn about available resources and assistive technology
- Identify existing barriers to personal and professional success and develop plans to overcome those barriers
- Interact with professionals with disabilities who serve as mentors and role models
- Develop a personal leadership plan, which includes specific action steps to follow when you return to your community
- Gain the power to reach your goals in education, employment and community leadership
- Develop a social network with your peers

OOD is contracting with the Ohio Statewide Independent Living Council (OSILC) for the provision of regional Youth Leadership Forums.
