

Ohio Vocational Apprenticeship Program

Opportunities for Ohioans with Disabilities (OOD) Vocational Apprenticeship Program supports Governor Mike DeWine’s Executive Order 2019-03D, which established Ohio as a Disability Inclusion State and a Model Employer of Individuals with Disabilities. Through this program, students and adults with disabilities who are eligible for OOD services gain valuable work experience, exposure and access to state government employment through paid apprenticeships with state agencies. The goal of this program is for apprentices to secure permanent employment in state government upon completion of the apprenticeship.

OOD partners with State of Ohio agencies to identify their workforce needs and develops apprenticeship opportunities that align with the job and educational goals of OOD-eligible participants. OOD assists participants to apply and interview for the apprenticeship and complete the onboarding process. OOD will also provide any needed on-the-job supports and can be a resource for worksite accessibility consultations and reasonable accommodations.

OOD funds all wages for the apprenticeship, up to \$15 per hour, 25 hours per week for a maximum of 1,000 hours.

For more information, contact OOD Business Relations Specialist Dennis DeYoung at dennis.deyoung@ood.ohio.gov or 614-753-0708

The services described are funded, in part, with federal funds awarded by the U.S. Department of Education (DOE) under the Vocational Rehabilitation (VR), Supported Employment Services, and the Independent Living Services for Older Individuals Who are Blind (OIB) programs. For purposes of the VR program, the federal VR grant paid 78.7% of the total costs of the program. In federal fiscal year (FFY) 2018, the VR agency received \$100,336,097 in federal VR funds. Funds appropriated by the state paid 21.3% of the total costs \$27,155,767 under the VR program.
